What it is

- Initiative from students
- <u>Guide</u> to CS Master
- Practical advise
    - "What can I do when my group partner doesn't cooperate?"
    - "Does the UA offer printing facilities?"
    - "How can I best prepare myself for course X?"

What it isn't

- Personal tutoring
    - "Can you teach me Python?"
- Tech support
    - "My project doesn't work. Can you fix it?"

Research Internship & Thesis

1. Select topic on `esp.uantwerpen.be` OR choose own topic.
2. Find a promoter.
   - Remark: Can't do both internships and thesis with same promoter.
3. Perform project with guidance of co-promoter (superviser).
4. Hand in and present your work at the end of the year.
